

TENNIS

INSTRUCTIONS

GETTING STARTED:

- With power **OFF**, insert cartridge into your computer.
- Turn power **ON**.
- Plug a Joystick Controller into **PORT 2**. When playing with a friend, plug another Controller into **PORT 1**.
- Press any key to get **SELECTION MENU**.
- Use Port 2 Joystick Controller, to scroll up and down to choose:

NOVICE
AMATEUR
PRO

Use same Joystick Controller to move **Left to Right** to choose number of players.

- Press **FIRING BUTTON** or **RETURN** to start game.
- Use Joystick to move player around and firing button to hit ball.

Please note that **TENNIS** has a facility that allows you to write your name on the scoreboard, however, it does not work on all model computers. This does not affect the overall operation of the game.
